Cool weather has finally arrived, and it is time to get together for the Audubon Lake Homeowners Oktoberfest. We will gather in back yard of 318 Lake Shore Drive (the home of Harry and Shari Rich) on Sunday, November 4, 1:00 - 5:00, for good food, good conversation and the opportunity to get to know each other better. This will be the 14th year for our neighborhood picnic.

There will be barbecued chicken, pork and hotdogs, prepared by Don Allen (Sharon Pauly's brother), along with drinks for all ages. We ask that each family attending bring a dish to share – appetizers, side dishes, salads or dessert. You should also bring lawn chairs.

For more information, you may call Jim Peterson or Harry Rich at the numbers listed above.

The board would like to thank all the residents who have responded promptly when asked to correct infractions. RV's were moved, political signs were pulled up, and there have been no new complaints of unkempt lawns. Thanks!

We are still getting calls about doggie do-do and vacant lots that need a haircut. You know who you are. Please think of your neighbors, and correct these issues.

### Help Wanted:

We need volunteers to serve on the ALHA Board. The same people seem to shoulder all the weight of running our neighborhood. Can you help out next year? The annual meeting will be coming up in February, and it would be nice to see some new faces sitting on the board for next year. Please call a board member if we can count on you.

57 residents have responded to our request for e-mail addresses. If you can receive ALHA communications by that method, please send your e-mail address to [jpeterson21@yahoo.com](mailto:jpeterson21@yahoo.com)

It saves us money if bills for dues are sent via e-mail. Other communications could also be done that way.

Your address will not be shared with anyone.

Christmas is just around the corner, and we will once again be having a neighborhood Christmas party. Final plans are still being made, but it will be held on one of the first two weekends in December.

Stay tuned for more information.
